NCR-440, issued November 20, 1939, is hereby amended by inserting on page 4 after item 2 of subsection A of Section II the following:

"In each instance in which the RF-16 is to be completed for tracts of land, one of which is a new allotment farm, the acreages devoted to the commodity must first be determined on the farm as combined. After the acreage devoted to the commodity is known, the acreage allotment to be entered on the RF-16 for the new farm will be the smaller of (1) the acreage devoted to the commodity in excess of the allotments established for the regular farms and (2) the preliminary allotment determined for the new farm."
